Dix's Animal Cargo.
With four hundred and ninety-three
horses and mules for the Philippines,
the army transport Dix arrived here
yesterday morning from Seattle, and
after giving the animals a three days'
rest will proceed to Manila tomorrow
afternoon. The transport was in very
rough weather especially close to the
Coast, but the animals stood the trip
fairly well. One or two deaths oc
curred among them before arrival at
this port. Two sick horses were re
moved to the government corral at
Iwilei in a dray.
The Dix also carries as cargo a large
quantity of barley, hay, oats and lum
ber, there being 700,000 feet of the
latter.
Nearly all the animals are new stock
collected at Seattle from various parts
of the country. Two mules are con
signed to the Insular government, the
remainder being for the quartermaster's
department.
Lieut. Rufus B. Clark, Third Infan
try, is the army quartermaster aboard,
while the veteran master, Captain An
kers, is still the navigating officer.

HYASHI NOT THE
BODE ASSAILANT

Three new grand jurors were sworn in by Judge De Bolt yesterday. They were Byron O. Clark, Charles L. Weight and Arthur F. Wail. The grand jury heard a number of cases yesterday and reported three indictments and three no bills to Judge Robinson.

Ahuna was indicted for larceny in stealing a pair of shoes. Ahloy was indicted for an assault with a weapon obviously and imminently dangerous to life. Hashimoto was indicted for an assault with a sword on Ota. The latter it seems was seeking to act as a peacemaker when assaulted.

A no bill was returned as to Hyashi who was charged with the murderous assault on Mr. and Mrs. R. Radland Bode at their house in Manoa valley a week ago last Saturday night. The testimony heard by the grand jury was substantially that heard in the police court. The grand jury did not believe that any identification of Hyashi as the man who had committed the assault was made out, and there were other circumstances that made the grand jury believe that he was not the man who committed the assault.

FALLS THE RELIEF
FOR HUMPHREY

Captain Moor N. Falls, U. S. A., is expected to arrive on the transport Sheridan about November 12 to relieve Captain Humphrey, U. S. A., as depot quartermaster for Honolulu. Captain Humphrey going to Washington, D. C., for orders.

Captain Falls entered the Army in 1898 from civilian life and came to Honolulu the first time with the 18th Infantry on the transport Arizona in August, 1898, remaining in Honolulu several weeks before proceeding to Manila. Captain Falls at the time he entered the Army was well known in athletic circles. He was married about four years ago to Miss Donnellan of Salt Lake City.

The Sheridan will also bring a detachment of Army engineers who will do considerable work about this island, remaining here two or three months before returning to the Coast.

EXPOSING BAD MEN.

Editor Advertiser: The following extract from Governor Frear's Aala Park speech has often been repeated in the columns of the Advertiser, and it still appeals to the honest voter:

"It is said by some party leaders that loyalty to one's party requires one to vote for a yellow dog if he is put on the ticket. Loyalty to party when it comes into conflict with one's duty to one's country is treason, and should be thought of as treason."

It is the duty of every good citizen to vote for good men. If one's party ticket does not furnish such men, the right-minded voter must look elsewhere. The victory of a party with bad men is more disgraceful than defeat. Mistakes were made in the convention, and now we are asked to vote for a straight ticket containing crooked men. Better vote for a crooked ticket with straight and honest men. He who votes for men, unfit to hold office in any party, just because their names are on the Republican ticket, is a traitor to good government.

It is an unpleasant task to expose a man's bad character, and to tell the world of his wrong-doing. But when he is up for public office, the public should know all about him. And should know if he is unfit for the office he seeks to hold. It is the duty of those who know of his unfitness to tell it out fully and fearlessly. It should be called treason to one's country to keep silence, and let a bad man hold the confidence of the people. Those who make known public dishonesty, graft or corruption, should receive the thanks, and not the blame, of any community.

Yours in appreciation,
INDEPENDENT REPUBLICAN.

Flaurence Ward Back.

The handsome white auxiliary schooner Flaurence Ward, tender of the Commercial Pacific Cable Company, returned yesterday morning from Midway Island, where she had gone several weeks ago with the usual supplies for the cable colony. The weather was pleasant both ways and Captain Pitts has no hard luck story to tell this time. Operator C. E. Beall and two Chinese servants returned from the island. From reports received from Midway the island is growing through and being piled up around the edges, with none being blown off. Besides the Flaurence Ward every trip takes a little soil and plants and the colony is making an effort to grow trees, grass and vegetables. The health report from the colony is good. Operator Cox sent his aloha back to his large coterie of local friends.

The Brazilian cruiser General Baquedano is about due from Yokohama, being out 18 days from the Nipponese port. The cruiser may be expected to remain here about nine or ten days, coaling preparatory to proceeding to South America.
